BEAUTY SCIENCE

## HOW FAR CAN YOU ADD-ON TO THE FORMATION???

### AWAKEN THE PLAYER'S SENSE OF CREATIVITY AND BEAUTY!

Can you visualize the patterns in your mind? This is NOT a space game nor is it a character game, it's an entirely revolutionary new game!!! The Avant-Garde game of the 80's, "PHOZON"!

#### Command

CH-EMC must form the indicated patterns.

#### Formation

##### CH-EMC

CH-EMC is the nucleus to all formations.

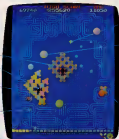

##### MOLECULE

4 different colored molecules will orbit around the screen.

##### BETA RAYS

When engaged, ATOMC will release BETA rays.

#### ALPHA RAYS

When disengaged, ATOMC will release BETA and ALPHA rays.

#### ATOMIC

On this screen, ATOMC will disengage itself and release deadly ALPHA, BETA rays.

#### Formation

As each WORLD and STEP is entered into the FORMATION will become more difficult. The player must recognize the pattern and duplicate the FORMATION as quickly as possible. Your duty is fulfilled when the FORMATION is complete.

#### WORLD 1

#### World 2 Step 3

#### World 3 Step 2

#### Counterattack

ATTACK!

CH-EMC has 2 chances to counterattack:  
① When entering next stage.  
② When picking up POWER MOLECULE.  
CH-EMC with its connected molecules will grapple about attacking ATOMC and its ALPHA and BETA rays!!!

#### Challenging stage

After each World on Step 3 the CHALLENGING STAGE will appear. Push the release button and the MOLECULES will fire at ATOMC!!!

#### Operation

#### RELEASE BUTTON

Push this button to disengage an unwanted molecule.

#### 8 WAY LEVER
